MANHATTAN - Technical Description

Inspired by the art-deco skyscrapers of the cultural and financial hub, the Manhattan cordless lamp showcases a dynamic and elegant design. The vertical lines and stepped forms evoke the glamour and optimism of the Machine Age.

The body of the Manhattan is CNC milled from solid brass. The mirror polished surface is left unlacquered and with time will develop a golden patina, bringing out an organic quality with unique colour and texture variation.

Designer	Gabriel Tam
Year of Design	2023
IP Rating	IP30 (Fabric) IP52 (Glass)
Weight	0.80 kg / 1.75 lb (Fabric) 0.85kg / 1.87 lb (Glass)
